The importance of our **BIODIVERSITY** **OASIS**

A young tree sapling with green leaves stands in the center of a grassy field. In the background, there are several buildings, including a house and a larger industrial or commercial structure. The sky is overcast and grey. The text is overlaid on the lower half of the image.

BIODIVERSITY
is the variety of life
on Earth, it guarantees

Thanks to the collaboration with
3Bee, we have contributed to
**MONITORING &
REGENERATING**
local biodiversity

A man with grey hair and a light beard, wearing a light blue t-shirt and dark trousers, stands in the center of the frame. He is looking directly at the camera. The background is a lush green field with many young trees, some of which have thin, bare branches. The lighting is bright, suggesting a sunny day. The text is overlaid on the lower half of the image.
